ADDENDUM TO ADMISSION NOTICE FOR ACADEMIC SESSION JANUARY 2021

General Information on SC/ST Empowerment Programs of SCTIMST

SCTIMST has been taking a series of steps to empower students belonging to the Scheduled Caste (SC) and Scheduled Tribe (ST) communities. As part of these initiatives two project proposals were submitted to the Science for Equity Empowerment & Development (SEED) division, Dept. of Science and Technology, Govt. of India. The SEED division graciously approved those proposals and the first year grants have been released. One part of these projects is aimed to provide financial support to students studying in various teaching/research programs of SCTIMST. In these schemes students will be provided by scholarships/fellowships, reimbursement of tuition fees, other special fees, etc. Limited funds are available to meet the research expenses of PhD students as well.
