Ministry to which the day has been allotted : SCIENCE AND TECHNOLOGY

Sitting on the : 27/03/2020

Public Private Partnership in Science and Technology

Will the Minister of SCIENCE AND TECHNOLOGY

To be answered by the Government, however, the details from SCTIMST are given below.

Sl No	Questions	Reply from SCTIMST
a	Whether the Government proposes to consider having public private partnership in science & technology institutes under the control of the Government and are established by virtue of statute and if so, the details thereof;	<p>Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST), Thiruvananthapuram is an Institution of National Importance established by an Act of Parliament [Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum Act (Central Act No.52, 1980)]. No public/private institutions are affiliated to SCTIMST. However, only programs are affiliated to SCTIMST, such as Master of Public Health (MPH) is conducted at ICMR-National Institute of Epidemiology, Chennai (A Govt. of India institution under ICMR); , MPH, MS Bioengineering and PhD programs are conducted at Christian Medical College (CMC), Vellore (100% private institution); PhD program is conducted at Indian Institute of Information Technology and Management-Kerala (IIITMK), Thiruvananthapuram (A Government of Kerala institution) and MPH and PhD programs are conducted at Indian Institute of Public Health (IIPH), New Delhi (A public private initiative institution).</p> <p>Apart from the above programs, a joint three institute M.Tech Clinical Engineering program (IIT Madras, SCTIMST and CMC Vellore) is also conducted at SCTIMST.</p>
b	Whether the Government proposes to issue certificates and degrees for the courses conducted by private institutions and if so, the details thereof;	No public/private institutions are affiliated to SCTIMST. However, only programs are affiliated to SCTIMST, such as Master of Public Health (MPH) is conducted at ICMR-National Institute of Epidemiology, Chennai (A Govt. of India institution under ICMR); , MPH, MS Bioengineering and PhD programs are conducted at Christian Medical College (CMC), Vellore (100%

		<p>private institution); PhD program is conducted at Indian Institute of Information Technology and Management-Kerala (IIITMK), Thiruvananthapuram (A Government of Kerala institution) and MPH and PhD programs are conducted at Indian Institute of Public Health (IIPH), New Delhi (A public private initiative institution).</p> <p>Apart from the above programs, a joint three institute M.Tech Clinical Engineering program (IIT Madras, SCTIMST and CMC Vellore) is also conducted at SCTIMST.</p> <p>The Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum, Act 1980, read with the Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum Regulations 1981, provides powers to the Governing Body in the matter. Section 12 (c), 13 (g), 23, 24 of the Act and sub clauses (xii), (xxxii) and (xxxiv) of clause III of Schedule I of the Regulations empowers the Governing Body in the matter.</p>
c	<p>Whether any private institution is affiliated to science & technology institute and if so, the details thereof;</p>	<p>No private institution is affiliated to SCTIMST, however, only programs are affiliated to SCTIMST, such as Master of Public Health (MPH) is conducted at ICMR-National Institute of Epidemiology, Chennai (A Govt. of India institution under ICMR); , MPH, MS Bioengineering and PhD programs are conducted at Christian Medical College (CMC), Vellore (100% private institution); PhD program is conducted at Indian Institute of Information Technology and Management-Kerala (IIITMK), Thiruvananthapuram (A Government of Kerala institution) and MPH and PhD programs are conducted at Indian Institute of Public Health (IIPH), New Delhi (A public private initiative institution).</p> <p>Apart from the above programs, a joint three institute M.Tech Clinical Engineering program (IIT Madras, SCTIMST and CMC Vellore) is also conducted at SCTIMST.</p>
d	<p>Whether the Government institute prescribed syllabus, curricula and qualification of faculty and other infrastructure facility for the private institution affiliated to the Government</p>	<p>To affiliate a program, Institute Governing Body (GB) approved procedure is followed. The syllabus, curricula and qualification of the faculty and other infrastructure and facilities will be verified by the board of studies (BoS) and Academic Committee (AC). Based on the recommendation of the AC, the Governing Body of the Institute will decide whether to</p>

	institution and if so, the details thereof;	affiliate a program or not.
e	<p>Whether the governing body of the institute is authorized to affiliate a private institute under the Government institute and issue certificate without the prior approval of the Union Government and if so, the details thereof?</p>	<p>Sree Chitra Tirunal Institute for Medical Sciences and Technology is an institution of national importance by an Act of Parliament (No.52, 1980). As per the sub-section (2) of Section 10 of the SCTIMST Act, 1980 provides that the Governing Body (GB) shall be the Executive Committee of the Institute and shall exercise such powers and such functions as the Institute may, by regulations made in this behalf, confer or impose on it.</p> <p>The Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum, Act 1980, read with the Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum Regulations 1981, provides powers to the Governing Body in the matter. Section 12 (c), 13 (g), 23, 24 of the Act and sub clauses (xii), (xxxi) and (xxxiv) of clause III of schedule I of the Regulation empowers the Governing Body in the matter.</p> <p>As per sub-clause (xii) of said clause III of Schedule I of the Regulations, prior sanction of the central Government is necessary in respect of collaboration with foreign or international institutions'.</p>
